PODSUMOWANIE ZAWODOWE

I'm a programmer with more than 5 years of experience. I have a completed higher education. My main technology is this .net (c#). I have experience in developing desktop applications, as well as web applications. I've worked in projects related to optical equipment for spacecraft, security and medicine. At the moment I am looking for a job in Gdansk, because I plan to move there and now I am in the process of applying for a visa under Poland Business Harbour.
